

HIGH-PERFORMANCE LIGHTING TOOLS

MILITARY / LAW ENFORCEMENT
PRODUCT CATALOG

OUTSMART THE DARK™

MILITARY HERITAGE

Since our founding in 2004, we've been helping Warfighters around the globe perform at a higher level in low-light situations. From providing Abrams Tank Crews a better lighting solution for use inside and outside of the vehicle to helping US Army Combat Medics provide critical care at the point of injury; Soldiers, Marines, Sailors, and Airmen around the globe trust First-Light USA.

In the toughest environments on Earth nothing else comes close to the versatility our lighting solutions provide. The only choice When Your Light Depends On It®

IMPROVED PERFORMANCE THROUGH BROADER VERSATILITY

Our proprietary Tactical Retention System (TRS) delivers a suite of hands-free mounting solutions that broaden how our lights can be used.

Superior ergonomics and a patented finger loop enhance handheld operation and provide unmatched compatibility with firearms.

MOUNTING SOLUTIONS

FOR LIMITLESS ILLUMINATION

TRS

TRS
TRANSFORMS A SINGLE
LIGHTING TOOL INTO AN
ADVANCED LIGHTING
SYSTEM

➤ MAGNET MOUNT

Enables you to put the light on ferrous surfaces and flexes to fit curves.

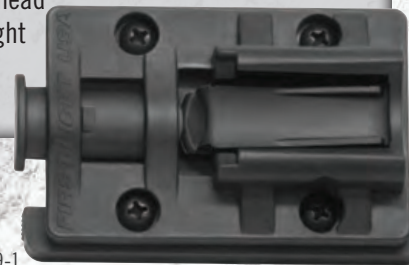

930021-1

➤ MOLLE BLADE MOUNT

Provides adjustable illumination from the chest instead of the head and reduces light signature.

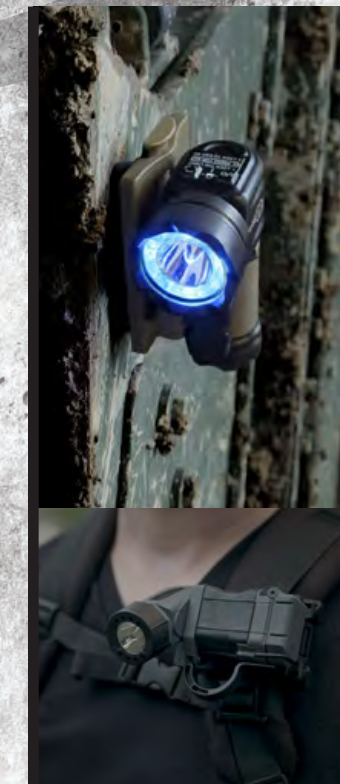

930019-1

➤ BELT MOUNT

Places the light at the ready no matter if you're wearing full kit, a duty or rigger's belt, or even a backpack strap.

930022-1

THE STANDARD

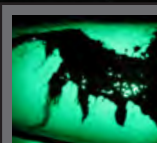

FOR POINT-OF-INJURY ILLUMINATION

LIGHT FROM THE CHEST INSTEAD OF THE HEAD. IDEAL COLORS FOR CASUALTY CARE.

MADE IN USA

Made in the USA — As our name indicates we are proud to make our lights in America's Heartland. All of our products are designed, manufactured, assembled, fully tested, and delivered to you using 100% American labor and over 90% domestic materials.

WARRANTY

We stand firmly behind the products we make. We offer a lifetime warranty on all T-MAX, Tomahawk, and Liberator lights and a 2 year warranty on TORQ. For full details please visit:

www.firstlight-usa.com/support/warranty

NSN

Many of the lights we offer can be procured through the Defense Logistic Agency's Supply System by referencing their National Stock Numbers (NSN's). For a complete list of our current NSN's please visit:
